

BANQUET DARLING

BIO

Banquet Darling is the musical brainchild and moniker of Muloobinba/Newcastle based artist, Todd Kilby.

After many years performing around the globe with the Circus as an acrobat, musician and director, Todd turned his focus towards his driving passion.....music.

From that Banquet Darling was born.

From Paris to Hong Kong and everywhere in between, be it hotels, buses, theatres or planes, songs were being created.

In 2021 Banquet Darling released their debut album 'Dreamlove Obscura', which gained a cult following and praise for its eclectic originality and unique songwriting.

Banquet Darling's upcoming release delivers a truly unique package, blending pop, indie rock, punk, psychedelia and grooves galore.

"Totally Bombastic and exuberant... You've never heard an act like this before and we're certain you never will again"- Alt77

MUSIC

The Getaway - [Listen](#) // [Music Video](#)

Exploding with a positively infectious groove, stabbing guitars and a chorus to float you off into the never-never.

Banquet Darlings new single 'The Getaway' is a playful exploration into the need for escapism; be it from people, place or one's own mind.

This piece of jagged disco pop combines the rough edges of daily struggle with a soaring sense of hope, dreams, fun and adventure.

Banquet Darling's debut LP .Dreamlove Obscura is a once in a lifetime kaleidoscopic journey of dreams, love and rock'n'roll. This colourful, bombastic and reverie filled piece of naive art straddles the line between orchestral sophistication and child-like freedom.

freedom.
